2	<p>Approve Previous Board Meeting Minutes</p> <ul style="list-style-type: none"> The previous Board Meeting was held in November 2022. Secretary at the time was traveling and unable to attend. No one took notes in Secretary’s absence. The Zoom meeting was recorded but Secretary has failed to obtain a copy and transcribe them into new draft Minutes for that November Board Meeting. Much of what was discussed was preparation for the Annual Meeting in December, which occurred, and Minutes were created for, so the motivation to complete November has been lessened.
3	<p>Election of Board Officers</p> <ul style="list-style-type: none"> Motions, Seconds, Results, and any discussion were as follows: <ul style="list-style-type: none"> Russell made motion to nominate Mark as President. Erik seconded. Vote was 5-0. John made motion to nominate Martin to serve as Treasurer. Erik seconded. It was acknowledged that Martin is a key member of the water committee, and his involvement will continue, but for continuity and historical knowledge it was agreed that him staying on as Treasurer was most prudent move. Plus, manager will assume the clerk and bill paying tasks, lessening the Treasurer’s burden and time requirements. Vote was 5-0. Mark made motion to nominate John to be the Water Committee Chair. Erik seconded. With confidence that John would get the support he needs to get up to speed on all the water processes, the vote was 5-0. Mark made motion to nominate Russell as Vice President and ARC Chair. Martin seconded. Vote was 5-0. Martin made motion to nominate Mark as Secretary. John seconded. Like Martin’s role as Treasurer, the new manager will soon assume minutes, agenda, and web site update tasks, so Mark is fine with the second role. Vote was 5-0.
4	<p>Water Team Update</p> <ul style="list-style-type: none"> John is the new Chair of the Water Committee. He will seek assistance from Caroline to learn the meter reading process. The Committee will assume that duty and relieve Caroline of being the sole person performing those duties. John and the Committee will ensure we have redundancy among its members, so multiple people will be trained to read the meters each month. Mark will send email to several lot owners who have participated in pre-Committee water functions and others who have expressed an interest. Get them thinking about a first meeting and breakout of responsibilities/roles. <ul style="list-style-type: none"> Action: John and water team will get trained up on meter reading tasks. <ul style="list-style-type: none"> Due Date: March 13, 2023 Action: Mark will send note to prospective water committee participants. <ul style="list-style-type: none"> Due Date: January 25, 2023
5	<p>Financial Report</p> <ul style="list-style-type: none"> Martin (Treasurer) shared the financial report through December 31st with the Secretary prior to the meeting, which was then forwarded to the full Board. No surprises and no expense overruns. Quick notes on 2023 budget.
